HOW DOES THE FLEX/VAN WORK?
 The Flex/Van is a type of transit service that provides scheduled dependable service to fixed bus stops but also allows for the bus to travel closer to the passenger starting or ending point. The Flex/Van travels from stop to stop at times indicated on the schedule. In between stops the Flex/Van may be rerouted to pick up and drop off passengers at locations that are not directly on the route. For more information about how the Flex/Van works call 413-323-6100
