Once we receive your resume, a Company representative may contact you to obtain additional information. Please be sure to include a current phone number on your resume.

If you are selected for an Interview, SATCo’s Office of Human Resources will notify you to schedule a time for an initial phone interview.

If you are selected for an in-person interview, please be aware of the following:

We prefer that you have current passenger experience on PVRTA bus routes by the time you attend the interview appointment. Therefore, candidates who are selected for an interview will be expected to have taken at least two trips within SATCo's service area. You can view these schedules at www.pvta.com. Discussing these current ridership experiences is an important component of the first interview. Although preferred, we do understand that extenuating circumstances might prevent you riding the bus prior to the interview.

1. You will be asked to bring your current license and current driving record to the Interview, including driving records from any state in which you lived in the past 10 years. Driving records must reflect a safe driving history, especially within the most recent 7 years. Driving Records generally cannot be dated more than 30-days from the Interview date in order to be considered current. Your driving record must reflect a safe and responsible driving history.

Helpful Tip: If you resided outside the State of Massachusetts, it is advisable to obtain your Out-of-State Driving Record/s as soon as possible since it can often take significant time to do so. Doing so will expedite RMV verification process if you are selected for an Interview.

2. You will be asked to complete an application packet and bring it with you to the interview.
3. Based on DOT Regulatory Requirements, any Commercial Driving position you previously held within the past two years will be subject to verification of Drug and Alcohol Testing Records from those previous employers.
4. Candidates who are offered a position must pass a Pre-Employment DOT Physical and Drug Screen. We will schedule this appointment for you at our designated Medical Provider. We will also assist you with self-certifying your new medical card.
5. All Work History within the past 7 years must be verifiable to be considered for a Bus Operator position, especially Commercial Driving positions (e.g., for those who already have a CDL A).
6. Your post-offer Criminal Background Check (CORI) must not reveal any disqualifying criminal history.
7. Upon hire, the company will assist you with obtaining your DPU card if you do not already have one.
